

Naropa • Orientation

UNIVERSITY for NEW STUDENTS

Undergraduate Schedule Spring 2010: January 6-8

This orientation week has been designed to help facilitate your transition as new students to Naropa, and to foster a nutritious foundation for your academic, professional, and personal journey through Naropa and beyond. Our hope is that orientation will initiate your integration into the intellectual, cultural, social, and energetic climate of Naropa. This is also a time for current Naropa staff, faculty, and returning students to connect to and learn about you! *Welcome to Naropa University!*
